FOOTPRINT BED & BREAKFAST

Footprint is an intimate 9-room bed & breakfast located in a quiet, up-market residential neighborhood close to the Boat Club Area in South Chennai. Our B&B is located on the 2nd & 3rd floors of an eight-unit apartment building, and is managed by Rucha and Ashish Gupta, who bring with them rich experience in hospitality & travel management - Ashish is co-founder of the Barefoot Group (www.barefootindia.com) based in the Andaman Islands.

The nine rooms are spacious and well furnished with large beds (7 twins & 2 king), spring mattresses and premium linen. All rooms come with air-conditioning, direct-to-home satellite television, tea/coffee maker, and free WiFi internet connectivity. Ensuite bathrooms are western-style with showers and hot & cold running water.

Public spaces are fully-air conditioned. There are two living rooms to entertain visitors or chat with fellow guests. A common dining area has a small sit-out (for smokers). A library nook has books and magazines on travel and nature for reference. A computer with free internet connectivity is available for all guests.

Breakfast is served in the dining area. Guests have a choice of full-Western or Indian breakfast. For other meals, a range of order-in menus from neighborhood restaurants are available.
